VOL. 10, NO. 220 MONESSEN, PA., THURSDAY, FEBRUARY 22, 1912 SIX CENTS THE WEEK

MEETINGS TO CLOSE ON SUNDAY

The inclement weather last night was responsible for a rather light attendance at the evangelestic meetings in the opera house, but for all that a very good meeting was held, and while the audience was not as large as on former nights there was much interest.

The Chorus was directed by Prof. Davies and some of those heart inspiring and life giving numbers were sung in a most enthusiastc manner.

Revs. Davies and Alban led in prayer and their supplications were most touching and impressive.

Evangelist Porter read an apropriate scripture lesson and was followed by Jack Spade in his usual instructive way, just a plain, unvarnished recital of plain facts; experiences from his own life, and some citations from others' experiences, all of which serve a good purpose if listened to and accepted in the way they should be.

"The Doubting Thomas" was the subject talked upon by Rev. McCormick of Blair, who spoke before a Monessen audience for the first time on Tuesday evening.

A solo by Mr. Williams, "Meet Mother in the Skies," was well received as it is a prime favorite at any time.

Friday's prayer meetings will be as follows: Mrs Havel Baker Schoonmaker avenue, opposite the Iowa school building. Mrs. Patton, Knox avenue, between First and Second Mrs. A. R. Russell, 449 Reed avenue.

There will be no prayer meetings Saturday afternoon. A collection will be taken Friday evening to defray necessary expenses.

The meetings will be brought to a close on Sabbath evening in the opera house, by a unanimous vote of the pastors of the town, and at that meeting a collection will be taken which will be expressly for the visiting speakers. By a special agreement, the evangelistic speakers are to have, aside from their hotel expenses, the last night's collection, and it is urged that a large audience be out to assist in making this donation as large as is possible. The men have earned it. They've worked hard and earnestly, and deserve some substantial recognition as a mark of appreciation by the people.

MUCH IMPROVING FOR EARLY SPRING

Council is preparing to make some much needed improvements in the town with the opening of spring. All the alleys between the business streets will be paved. There have been many petitions presented for these improvements but they have been held up from time to time for different reasons, sometimes on account of funds and other times because of more needed improvements elsewhere in the town. Now it is proposed that if the property owners will pay one half on either side of the alleys the work will go along as soon as the weather will permit. The business men have been at a great inconvenience on account of the bad condition of the alleys and the streets are continually poluted with mud and the filth and in an effort to keep the town more sanitary the work will be done.

SEARCHING FOR AN ESCAPED CONVICT

Detectives were in town yesterday afternoon looking for Mike Simco who is said to have escaped from the Western Penitentiary where he was serving time for several offenses. He was known to have been in Charleroi on Tuesday evening and since he had been located here some time ago it was thought best to keep a sharp lookout for him in this vicinity. The local police had seen nothing of him up until a late hour today.

STEEL ROLLERS' RECORD BROKEN

Again the rollers' record has been broken at the local tin mill. This time it is Carl Buck and Dick Richardson, who during the thirteen day pay of last Saturday, as follows: Buck, 182,100 pounds, and Richardson 171,000.

The previous record roll was by Henry Jordan with 162,000 pounds to his credit, which was an average of six tons of steel per day.

It seems evident there is no hoodoo hangs over the Monessen mill, as all these records were worked on a thirteen day pay and on mill No. 13. At any rate the men are justly proud of their achievements.

PATRONS' DAY TOMORROW AT OUR PUBLIC SCHOOLS WILL BE WELL ATTENDED

Tomorrow, Friday, is a day set apart all over Westmoreland county to be observed as "Patrons' Day," and Monessen schools, always in the foreground when it comes to public-spiritedness and push, have a very complete program mapped out, notwithstanding that the instructors and scholars have a strenuous day today in the observance of Washington's birthday.

Patrons' Day, year 1912, in Monessen schools will present many pleasing things to be remembered and referred to in years to come by the pupils. Some will retain, and lay away no doubt, their own personal piece of display work which received words of praise from this or that person, and those words of praise will make that piece of work all the more valuable. Another may receive a kind word and a pat on the head from a visitor, and another may get a compliment for good behavior, courteousness or especial studiousness. Each one will retain something to cause them to remember and cherish the day, and it is good that interest in the day's work can be so developed; it serves to intensify interest and expectancy for similar days in future school years.

Each grade in each room in all the school buildings will have especially arranged displays along the line of their studies and these displays will be so arranged that they may be critically inspected by visitors.

Writing, drawing, composition, and every branch of work coming under the common school code will be on display so as to give the parents and patrons practical and plain ideas as to the progress of school work in a general way and the progress of each individual pupil.

During the day, while visitors are inspecting the work, school will be in progress just as on any other day, in fact the regular recitations and instructions will be heard, so all will have every opportunity to know just what is being done in the schools.

It is the especial desire of the faculty that parents visit all the rooms and pay strict and critical attention. Offer criticisms where deemed proper, and don't forget that kind word, encouraging pat on the head, a little hand shake or a smile.

It all does a world of good; it encourages both teacher and student and is an incentive to even better things in the future, and if you do criticise don't do it in a fault-finding, grouchy way, but in such a manner as will show a correction tending toward future improvement.

By all manner of means, let all who can, possibly, lend their presence at the schools tomorrow. A good attendance adds interest and encourages both teacher and pupil, whose absence or lack of attendance has a very bad effect. Like the guestless society ball given by one of the would be high up ladies of East End, Pittsburgh a few days ago, the result is naturally a failure, and in this case that failure would be disastrous to the best interests of our public schools. So let Patrons' Day exercises, tomorrow, Friday, be well attended.

Hear the Blind Quartette

Monessen folk who enjoy a real first-class musical and literary treat should not forget the Bellfield Blind Quartette in St. Paul's Evanglical Lutheran chuch Eighth street, Friday evening. These people come most highly endorsed and a most pleasing entertainment is promised. Tickets are now on sale at Eddy's drug store. Don't miss it.

The Bijou

"Niagara Falls in Winter" last evening at the Bijou pleased large crowds who turned out in spite of the inclement weather. Today "The Corsican Brothers" a famous drama produced by the Edison Co., is being shown and the picture is one of the most exciting and novel reels of its kind ever released. Two other good pictures are being shown including "Her Boy" an interesting Vitagraph drama with a heart interest.

Today, Washington's Birthday, since it is a national holiday is being observed at the post office and the banks. Only one delivery was made today although mails will be received and dispatched as usual. The general delivery, and register and money order windows closed at noon and will not be open this evening for the customary hour on holidays. The mail will be distributed to the boxes according to the regular custom. The Carriers' window will not be open.

LOCAL FANCIERS ARE STILL WINNING

The chicken show now being held in the old city hall in Pittsburgh under the auspices of the Pittsburgh Fanciers Club is proving itself to be a most successful affair. The work of judging the fowls is now going on and among the prize winners announced so far of interest to local people are the awards given the birds of George Sherwin, chief clerk of the Pittsburgh Steel Co., here. In one of the largest classes of the show, single comb white leghorns, Mr. Sherwin's pens won the following on but three entries: 3rd cockerel, 3rd hen and 5th pullet. Some of the best birds in this class in the country were on exhibition and the awards speak well for the local exhibitor. On two entries in the white cochin bantams, his birds won second cockerel and second hen.

JACK THE PEEPER IS AT LAST CAUGHT

A "Jack the Peeper" in the person of Charles Hanson, a Swede, who is said to hail from this place, was arrested in Braddock Tuesday evening on a charge of being a suspicious person. His actions attracted the attention of one of the night patrolmen who promptly locked him up. At a hearing yesterday morning he was fined $10 and costs. This may be the same party who has been terrorizing the people of the Sixth street hill district, until a short time ago, with his strange action. A close watch is being kept by the local police and all suspicious persons will be questioned closely in an effort to locate the miscreant.

Star Theatre

The offering at the Star for the close of the week is one of the best that has appeared at the local play house this season. Alice Van, a petite little dancer, introduces several well executed dances of the different nations. "The Three Bears" have one of the funniest acts in vaudeville and are a positive scream from start to finish; Sutton, McBride and Sutton in "The Rube, the Girl and the Pumkin" are one of the big hits of the season and presents a comedy act of the highest order.

OBSERVED THEIR SILVER WEDDING

A most handsomely appointed affair was the reception given last evening at the home of Mr. and Mrs. W. H. Landers on Linden avenue in honor of the twenty fifth anniversary of their marriage. The home was beautifully decorated in pink and white, the parlors and reception room being a mass of dainty ribbons and artistic streamers. In the receiving line were the Misses Doll Landers, Oneta Trago and Margaret Dills.

The marriage ceremony performed exactly 25 years before was repeated by Rev. Shay of Charleroi and there were as witnesses, the family of eight children and over 100 invited guests.

Each guest received a handsome remembrance in the shape of a dainty little silver bell. There were many beautiful presents received by the host and hostess. During the entire evening music was furnished by an orchestra under the personal direction of Mr. Fred Lindauer. Among the out of town guests were numbered: the Mesdames William Stevens, Solomon Kimball and Harry Slee of Steubenville, O., Mrs. John Ferguson of Wheeling, W. Va., and Mrs. Richard Brock of Charleroi.

SOME GOOD THINGS AT THE OLYMPIC

The management of the Olympic theatre have left no stone unturned in their efforts to please the popular demand. Their motto is to give the people what they want and to that end have secured the rights to show some of the finest pictures ever produced in conjunction with their famous orchestra of metropolitan musicians. There will be an entire change of pictures daily. Don't forget that on tomorrow and Saturday evenings the best vaudeville acts ever seen here will be on the bill. This afternoon and evening and tomorrow and Saturday afternoons, moving pictures only, and admission 5 cents.

PLACE FOR FASHION HINTS

Policeman's Wife Rejoices Over His Promotion to the Fifth Avenue Squad.

When it was reported that the cross street policeman had been promoted to the Fifth avenue squad the policeman's wife declared that she was the happiest woman in New York.

"Oh, it isn't the salary," she said, "nor the honor. I don't know whether he will get any more money or not, and as for the honor, he had enough of that where he was. But the fashions; just think of the hints he will pick up on them. For the last five years I have been sick with envy of the Fifth avenue policemen's wives every time I went to a policeman's ball. They looked so chic. When asked where they got their ideas they said

"'Why, from my husband, of course He is right in the center of fashion, and he takes notes and comes home and tells me things. Then when I get my clothes made up he can compare me with the women he sees every day and tell whether I look just right or not.'

"Now it is my turn to crow. My husband's eye for clothes is as keen as any man's, and there won't be much in the way of style that will escape him. Oh, yes, no doubt he will be kept pretty busy managing the traffic, but you can trust him to find out how the new clothes are made, just the same."

OPIUM PROBLEM IS SERIOUS

Where the Poppy Is No Longer Cultivated in China, Bees Stop Making Honey.

Some unexpected results are found from the movement against the production of opium in China. In the Yunnan, one of the provinces where opium was produced in large quantities and at a low price and where a great deal of it was consumed, it appears that the poppy is no longer cultivated, owing to the recent measures, and the poppy fields have quite disappeared, according to the statements made by Doctors Talbot and Rigaud However, this has had a disastrous effect on the honey culture of the region. In fact, the honey from Yunnan was renowned for its quality, but as the bees find no more flowers, the production of honey is stopped as well. The new crops which replace the poppy, such as wheat or peas, are not such as will give honey yield as well. On another side of the question, it appears that the habits of the population are not suppressed by the present legislation, as some supposed would be the case. but according to Doctor Talbot, opium-smoking is again on the increase.—Scientific American.

GRANDMOTHERS USED SAGE TEA

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out, start using Wyeth's Sage and Sulphur to-day, and see what a change it will make in a few days' time.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists

DEATH RECORD

Anthony Silveus, aged 80 years, is dead at his home in Jackson Center, Mercer county, death being due to paralysis. Deceased was the father of Rev. Frank Silveus, now pastor of the Duquesne Presbyterian church, and who was at one time pastor of the Cumberland Presbyterian church at Charleroi, now the Washington avenue church. Rev. Silveys has many close friends both in Charleroi and Monessen. The deceased was an extensive land owner and was a member of the county board of viewers of Mercer.

Reino Hautinen, aged 3 years, son of Herman Hautinen died yesterday afternoon at the home of its parents, 425 Motheral avenue after a short illness with diphtheria. The funeral services were held at the home this afternoon at 1 o'clock and were private. Interment was made at Grandview cemetery.

Conette Mandianna, aged 23 years, wife of Frances Mandianna, died yesterday afternoon at 2 o'clock at her home on Sixth street of tuberculosis. Funeral services were held 3 o'clock this afternoon at St. Leonard church and interment was made in Grandview cemetery.

CHARLEROI MAY YET PLAY BALL

Hugh Shannon who was to have managed the Butler club in the O. and P. League and who was forced to give up his plans for placing a team in that place because of the fact that no good site for a park was available, was in Charleroi yesterday to look over the ground there, it is said Shannon is to head the Charleroi club, providing satisfactory arrangements can be made. He is said to be a well versed leader, having had several years of experience managing minor league clubs.

The Charleroi business men consider the matter in a favorable light and profess the belief that with a strict adherence to the salary limit, $1:00, that the club can be made a success Local fans are interested in the outcome of the inquiry since Monessen always has furnished strong support to any move of this sort on the part of her sister town.

To Visit California Normal

Within the next month, the members of the State Board of Education will make a visit of inspection of the Southwestern State Normal School at California. Dr. N. C. Schaeffer, chairman of the State Board of Education has not determined when the visit will be made but it will be similar to the one paid recently to the Normal School at Edinboro.

It is the intention of the board to visit all the Normal schools of the state so that, when the proposition of the state taking them over come to the front, the board will be in full possession of all necessary information. In addition to the inspections, the board is compiling complete reports.

News Notes of Society

The Oneida Club was entertained by Mrs. G. C. Diehl at her home, 152 Oneida street Wednesday afternoon with the full membership present. The affair was a very pretty one, being emblematical of George Washington's birthday, insomuch as cherries predominated throughout and little hatchets were the favors. After the regular season of needlework there was a literary and guessing contest which was interesting and entertaining Of course the luncheon was attended by the typical cherry of Washington's time, and many were the remarks in jest, satire or solemnity suggested by the cute little hatchets. The out of town guests were Mrs. Cooper and daughter, Miss Anna of Cambridge Springs, Mrs. Margaret Diehl of Bedford and Miss June Steele of Brookville.

EFFORT TO RELEASE AN ACCUSED MAN

Justice of the Peace James A. Watkins accompanied by Constable McLaughlin and several witnesses, are in Greensburg today to attend a hearing that is being held in an effort to have one of the five men who are being held for the May term of court, on the charge of the murder of Mike Nemichek a short time ago in a drunken brawl, following a christening at a boarding house on 12th street, released on bail. The friends of the man who is said to be John Rovnak are sparing no expense in their efforts in petitioning the court to have him released for the present. He has a baby daughter who is hovering near death's door and another daughter who is seriously ill, and these are to serve in part for the basis of the petitioners plea.

To Spend Much Good Money

The Pittsburgh Railway Co. has appropriated $25,000,000 for improvements the coming summer along its lines and for necessary new equipment, and those most interested in what is known as the Charleroi line are anticipating the benefits of quite a goodly slice of the appropriation.

It is said that engineers and others interested talk very encouragingly, and some even knowingly, on the local subject, and while the bulk will be applied to Pittsburgh and the immediate surroundings, there will be enough to do wonders along the Charleroi line if the powers-that be so will.

Already five large, modernly equipped palace cars have been ordered for the Charleroi line, and there is some talk about establishing an express service between Pittsburgh and our neighbor town. Should this be, the running time would be greatly reduced as there would be considerably less stops made.

The officials have not as yet held out very flattering advices as to the continuation of the line on to California and Brownsville, but something tangible may come later when they see just how far that $25,000,000 can be stretched out.

Too Much Girley Girl

Sharpsburg is having quite a little hubbub and the trouble was all brought about through the overzealousness and extreme lovableness of a number of most attractive young ladies who in talking over the telephone to their "friends" of the fire and police departments; in many instances they would forget to ring off" at the expiration of the three minutes allowed for an ordinary "business" talk, and now their "friends" are under the ban. The matter has come before the finance committee who find bills for long distance calls amounting to $11.00, and as there is no business transaction for the borough of that nature, it is evident that the employes have been using the telephone in chatting with their "lady friends."

One item amounts to $3.00 for a 60 minute talk. The borough solicitor has been authorized to bring suit against the supposed guitly parties—of course not the girls—and the entire police and fire departments are up in the air as a natural result.

Sort of a Bridge-Site Dispute

Monday, in Washington court, the county commissioners laid the blame for the delay in erecting the river bridge at Brownsville wholly on the Fayette County commissioners, and the latter gives as their reason therefor, that should the bridge be built on the site already selected, both counties would be liable for damages amounting to in the neighborhood of $200,000. So they'll likely get together again and decide on another location.

You tax the kidneys—overwork them—

They can't keep up the continual strain.

The back gives out—aches and pains;

Urinary troubles set in. Don't wait longer—take Doans Kidney Pills.

Monessen people tell you how they act.

Mrs F. W. Schalwald, 634 Reed avenue, Monessen, Pa., says: "I know that Doan's Kidney Pills are a good kidney medicine for they have been used by my relatives and have proven of the greatest benefit. About two years ago I began to suffer from a pain in my back and being told that I had kidney trouble, I got a box of Doan's Kidney Pills at the Hirsch Drug Co. They helped me from the first and before I had taken them long the pains and other difficulties had been removed. Doan's Kidney Pills certainly live up to the claims made for them."

THE "WHITE FAIR"

We have always had the great White Sale, but as others wish to profit by our annual advertising it is up to us to inaugurate the Great White Fair and the pleasing feature about the fair that is so noticeably lacking at other "fairs" is that you will save money by attending it. You will see spread before your eyes acres of White Goods, Linens, Undermuslins---dainty fabrics that will amaze you, not only by virtue of assortment but because of the remarkably low prices that you will find.

This "FAIR" opens Friday, February 23rd, and we want you to attend it. You may have attended "White Sales." You may have gone to January muslin sales, but you never have been able to buy white goods at the prices we will quote you. Never have we been able to buy goods so cheap, and never have we been able to sell them at such ridiculous figures. This has been a hard season on the manufacturers and the wholesalers. Money is worth about twice as much as it was a year ago. So we went into the market with spot cash and were able to buy at practically our own price.

We selected the choicest lines of them all, and if you don't come here and say that the prices we offer you aren't the lowest you have ever heard of, why we shall greatly miss our guess. It rests with you to take advantage of this sale. It will be many long months before another such chance presents itself.

Don't read this and then neglect it. Come Friday. Now's the time. A little before is worth while when you can save money. Just read the bargains in this circular. They tell the story.

Sale Begins Friday, February 23rd, and continues Saturday, Monday, and for ten days our store will be flooded with WHITE BARGAINS.
